BOARD OF MADRAS 24 JUN 1935 LAND REVENUE AND SETTLEMENT

Ref. A3. *No.* 512.35.13 *dated* 20.6.35. *19*

Sir,

ENCLOSURES 1 Sheet.

SPARE COPIES

Furniture and Stores - Surplus and unserviceable **Disposal** - Orders requested.

I submit a consolidated list of the articles of furniture in this Party showing the total stock under each kind, the number to be condemned as unserviceable and sold in auction and of the balance fit for use, the number required by this Party and the surplus that can be spared for use elsewhere. I request that the articles shown in column 5 of the list may be condemned as unserviceable and sanction accorded for their sale in auction as they have all become unfit for further use in the ordinary course or by fair wear and tear. The articles shown in column 6 are surplus and are not required in this Party. They were all made and stored at a time when under the old system of resettlement procedure large temporary establishments had to be employed now and then. There is no need for so much furniture hereafter as under the simplified system the staff employed will be limited. As the Headquarters of the Party have to be shifted to Cuddapah by the end of July next, I request that the Board may be pleased to pass early orders as to the disposal of the articles shown in columns 5 and 6 of the list.

2. Three glass ink bottles were broken in transit from one office to another. The breakage was not due to carelessness on the part of the office or neglect of the rules. Under rule 57 of the Stationery Manual Volume I, sanction of the head of the department is necessary for writing off the damaged articles. I request that the Board be pleased to accord sanction for writing them off the accounts.

In connection with introduction in 'Kurnool Proper' and the field inspection that may be sanctioned as a result of the proposals made in the Scheme Report I may have to augment the staff by about 15 to 20 hands. In that event I will require the articles of furniture noted in the margin. I would suggest that the Special Assistant Settlement Officer in charge, Mangalore be instructed to take these articles to Cuddapah, wherefrom I can obtain them as and when necessity arises. The samans of the Party will move in waggons and there may not be any difficulty in carrying these extra articles.

To First Assistant

Three points are raised in the S.A.S.O's letter at pages 1 and 2 C 7

(1) To condemn as unserviceable the articles shown in column 5 of the list at pages 3 and 4 C 7. and to accord the necessary sanction for their sale in auction

(2) To pass orders as to the disposal of the surplus articles shown in column 6 of the list at page 3 C 7.

(3) To write off the value of the three glass ink bottles

Point (1) above.

Attention is invited to the Accountant Generals instructions at pages 7 and 8 C 7 of P&P. no

P.P. no. 3260 Rest. Dated 23-6-54

at (c) The S.A.S.O. has not reported the value of the article. The Board may accord sanction to sell the articles in public auction provided the value of the articles does not exceed Rs 500/-.

7 Section will please note for its orders on this point.

In col 5 of the Statt at p-3, C-F. is given the no. of the several articles considered unserviceable & proposed to be sold in auction. It appears from the above list that the cost of the articles referred to therein will not exceed the limit of Rs 500 mentioned in the Hy's letter at pp. 7-8, C-F. in (c). It is however desirable to ask the S.A.S.O. to report at once the approximate value of the articles referred to in col 5 at p-3, C.F. before passing orders on the S.A.S.O's proposal

purchase of furniture upto Rs 500/- could have, under article 198(b) of the Madras Financial and Account Code Vol I condemned these unserviceable articles and ordered their sale in public auction had the value of these articles been less than Rs 500/-. As the value of the articles is reported to be Rs 880/- the sanction of the Government seems necessary to condemn them as unserviceable.
